your local solutions partner

YOUR GO-TO LOCAL SUPPLY PARTNER FOR ALL YOUR COMMERCIAL GROUNDCARE & LANDSCAPE MACHINERY NEEDS

Tegfan Plant & Machinery are your experienced, local, full-range supplier of commercial groundcare and landscape machinery.

We can supply all your requirements from premium manufacturers such as Stihl, Honda, Husqvarna, Kioti, Ariens, Cramer, Allett, Atco, Silky, and Indespension, as well as renowned construction manufacturers Kubota, Thwaites and Merlo.

We offer a full range of machinery including lawn mowers, lawn tractors, zero-turn mowers, front mowers, brush cutters and sgrass trimmers, leaf blowers, hedge trimmers, chainsaws and much more.

ALLETT

Iconic British-built lawn mowers, proudly manufactured since 1965, designed to deliver immaculate stripes and superior performance for premium lawns and professional sports surfaces.

Since 1933, Ariens has built machines with one focus — you. Ariens zero-turn mowers and attachments deliver speed, reliability, and comfort for homeowners, professionals, and municipalities alike. Durable, easy to maintain, and ready for any season — that's the Ariens promise.

Cramer Tools offers a range of innovative, battery-powered tools designed for clean energy solutions, suitable for various outdoor tasks. These tools are engineered with advanced technology and intelligent features to enhance efficiency and ease of use.

When you need commercial grade equipment, look to Honda Power Equipment. Our industrial products are developed with the features, quality, and reliability you expect. Whether you are looking for an industrial generator or water pump for your job site, or a commercial lawn mower or trimmer for your landscaping trailer, Honda's got the power you need to get the job done.

Husqvarna is the world's leading producer of forest and garden products and services. Popular products include robotic lawn mowers and professional chainsaws, and there's a strong consumer market for handheld products like chainsaws and trimmers. Husqvarna also produce a comprehensive range of ride-on lawnmowers including professional zero-turn models.

With a hugely impressive range of products including compact tractors, zero-turn mowers and new SL750 E LQF skid steer loader, this established Korean brand are on track for success as more and more customers recognise their quality, reliability and great aftermarket support and warranties.

For 25 years, Kubota has been the UK's market leader for mini-excavators, plus a range of powerful and reliable track dumpers, wheel loaders, compact tracked loaders, telehandlers and hydraulic breakers. Trusted and used extensively from building sites to highways, forestry and groundscare operations to major construction projects; all Kubota machines are designed and built to produce cost effective results everyday.

STIHL

STIHL is a global leader that produces and sells battery-driven and motorized power garden tools, such as chainsaws, lawn mowers, brush cutters, hedge trimmers and more.
